

## THRIVE CAMPAIGN NAMING OPPORTUNITIES

*A campaign to add life to every year*

Gifts may be made in honor or memory of a loved one.  
Donor recognition will be visible at AGE's South Austin facility.  
Thank you for your generosity!

### Gift Amount & Availability

### Area Description

**\$6,000,000 0/1  
RESERVED**

*Thank you,  
St. David's Foundation!*

#### AGE's South Facility

This naming opportunity will be afforded recognition via the entire AGE south campus, totaling 19,991 square feet. The campus will include all of AGE's comprehensive programming including a Thrive Social & Wellness Center, Memory Connections location, Caregiver U location, Health Equipment Lending Program, and a Caregiver Resource Center. In addition, this location will offer collaborative spaces, a co-working space, and offices available for rent so that other organizations can come together to jointly address the needs of the aging community. This naming placement has high visibility off IH-35 at 9400 Alice Mae Ln. Austin, TX 78748.

**\$500,000 1/1  
Available**

#### Information & Resource Center

This Information & Resource Center is THE safety net for the community when it comes to support and resources on caregiving for older adults and dementias. You will be providing a space of support, empowerment, and expertise.

**\$250,000 1/1  
Available**

#### Health Equipment Lending Closet

AGE's Health Equipment Lending Program provides free durable medical equipment and hygiene items for low income older adults in need. This closet will distribute thousands of items each year so that older adults can prevent potentially fatal falls, maintain hygiene to prevent illness, and remain safe in their homes. You would provide low income older adults with what they need to live safe, healthy lives.

**\$250,000 1/1  
Available**

#### Memory Connections Program Space

For the first time in AGE's history, a designated space in an AGE facility will house the Memory Connections program. This program provides crucial early memory loss care for older adults diagnosed with early stage dementia. You would be providing older adults and their caregivers with a safe space to participate in evidence informed care

designed to boost cognitive function, maintain healthy habits, and prepare them for their journey ahead.

**\$250,000 0/1  
RESERVED**

*Thank you,  
Anderson Charitable  
Foundation!*

### CaregiverU Training Room

This room will provide critical education for family caregivers who lack proper training to perform their caregiving duties. In this room, caregivers will find a community of support, applicable and effective instruction on how best to care for their loved one, and important training on how best to care for themselves while caregiving. You would empower caregivers with the tools they need to allow their loved ones to age in place longer, provide dignified and compassionate care, and ensure their own mental and physical health are maintained.

**\$250,000 0/1  
RESERVED**

*Thank you, H-E-B!*

### Thrive Social & Wellness Center Dining Area

The dining area will be a warm gathering space where Thrive Social & Wellness Center members can come together for nutritious meals, socialization, and to complete/participate in various cognitively stimulating activities. You will be providing a space to foster family, community, friendship, and love for older adults who need it.

**\$250,000 1/1  
Available**

### Thrive Social & Wellness Center Kitchen

The kitchen is the best meal on the menu for naming opportunities. You will be providing a space that will serve dietitian approved meals-snacks and lunches. This will be a perfect area for staff and volunteers alike to gather and serve our members.

**\$150,000 1/1  
Available**

### Thrive Social & Wellness Center Activity Space

It may seem like just 4 walls with tables and chairs, but in reality, this is where we prevent isolation & depression in senior adults. This is where new friends will be made and connections formed through cognitive games, music, interactive activities and so much more. This donation creates an essential space for our members to find respect and dignity through meaningful activities.

**\$150,000 0/1  
RESERVED**

### Thrive Social & Wellness Center Garden

The growth that comes out of our adult day health center is not just from those that attend, but also from our beautiful gardens. You will provide a safe outdoor space for older adults to garden, relax, congregate, and spend time outdoors

**\$100,000 0/1  
RESERVED**

### Multi-Use Education Space

The space will host the AGE Computer Lab program, and also serve as a seminar space to host educational talks on caregiving, dementia, and other informative topics. The AGE Computer Lab program began in 1998 and continues to connect the wisdom of seniors with the wonders of technology and the internet. This donation will enable and create a space for connectivity both on and offline.

**\$100,000 1/1  
Available**

### Cooperative Community Work Space

AGE wants to provide a space for our close partners to come and work if they are in the area. Cooperative work environments are popular for a reason, and we would like to be a part of that social movement. This innovative donor will have the honor of supporting a space that will bring our partners closer.

**\$75,000 1/1  
Available**

### AGE Bus

AGE provided free door-to-door transportation for those served by the Thrive Social & Wellness Center. All of AGE's buses are driven by individuals specially trained to care for older adults living with dementia and who meet strict safety qualification to ensure all transportation services are as safe as possible. Your name or the name of a loved one would be listed on the bus for all who utilize it and the community to see.

**\$50,000 1/1  
Available**

### Small Conference Space

The best ideas come from the community gathering, collaborating, and executing the plan. Taking advantage of this naming opportunity means invaluable donors are forging the walls of community togetherness, establishing the flooring of innovative ideas, and the environment for brainstorming ideas to make the world a better place.

**\$50,000 0/1  
RESERVED**

### Thrive Social & Wellness Center Nursing, Rest, and Sick Room Suite

Older adults in AGE's adult day health center will thrive in a medically supervised environment with a registered nurse on staff to meet their medical needs. You would provide a space for the nurse to work and a quiet, calming space for older adults to rest when needed.

**\$50,000 0/1  
RESERVED**

### AGE's Front Desk Reception

The front desk will serve as the first impression for every older adult, caregiver, and community partner that enters the South Austin facility. It will also host AGE's Administrative Specialist who will answer calls and connect each individual seeking help to the program and service they need. You will provide the first kind voice, welcoming face, and warm smile seen by everyone seeking care.

<b>\$50,000 1/1 Available</b>	<b><u>Front Garden</u></b> Located directly in front of the entrance to the South Austin facility will be a small garden designed to create a warm, welcoming environment for all who come to AGE for care. This is a perfect opportunity to honor or remember a loved one as their name will be listed on a plaque installed in the garden, surrounded by beautiful flowers year round.
<b>\$50,000 0/1 RESERVED</b>	<b><u>Driveway</u></b> A half circle driveway will be located in front of the main entrance to make it as easy as possible for family caregivers to drop off their loved ones so they may receive care. This driveway will also be used by AGE's fleet of buses and vans that provide free door-to-door transportation for members of the Thrive Social & Wellness Center.
<b>\$40,000 1/1 RESERVED</b>	<b><u>Thrive Social &amp; Wellness Center Stage</u></b> It's been proven that those with dementia benefit from the arts, which is why AGE endeavors to bring those activities to Thrive Center members. Located in the middle of the Thrive Social & Wellness Center - AGE's first ever stage will host local vendors who will bring music, art, laughter, movement, and more to enrich the lives of AGE's Thrive Center members.
<b>\$30,000 1/1 Available</b>	<b><u>Break Room</u></b> The Break Room includes all the basic necessities staff and volunteers need to congregate for lunches, breaks, or space to set up the sustenance for meetings and seminars.
<b>\$25,000 0/1 RESERVED</b>	<b><u>Thrive Social &amp; Wellness Center Garden Pavilion</u></b> The Thrive Social & Wellness Center Garden will include a pavilion that will offer Thrive Center members a shaded area to enjoy the fresh air and congregate with peers. In addition, this pavilion will be available to nonprofits leasing offices within the building and serving the local community to host events and programming so that their constituents and good works may benefit from the space.

**\$25,000 0/1  
RESERVED**

**Thrive Social & Wellness Center Medical Exam Room**

Located inside of the nursing, rest, and sick room suite, this exam room is where the Center's Registered Nurse will administer monthly health assessments and provide regular medical observation and basic medical care for the older adults served in the program.

**\$10,000 10/10  
RESERVED**

**Thrive Social & Wellness Center Stage Wall**

Located in the middle of the Thrive Center and facing the activity area - this donor recognition opportunity will be part of AGE's first ever Thrive Center stage. The stage area will bring the arts to the forefront of Thrive Center programming and enrich the lives of older adults with dementia.

**\$10,000 0/1  
RESERVED**

**Indoor AGE Art Galleries**

AGE plans to cover the walls in the South Austin facility with inspiring and personal art that reflects the impact of work done within the building. Each piece of art will be handpicked/curated to inspire all who enter. You would create a warm and inviting environment where all, no matter their walk of life, will feel welcome.

**\$10,000 0/1  
RESERVED**

**Outdoor AGE Art Galleries**

AGE plans to showcase inspiring and therapeutic art throughout the outdoor areas surrounding the South Austin facility. Each piece of art will reflect the impact of the work being done in the building and recognize those who have stepped up to support the creation of this facility. You would create a peaceful, relaxing atmosphere in AGE's outdoor spaces that clients and visitors will enjoy.

**\$7,500 1/1  
Available**

**Administrative Support Center**

Office and administrative support will be available for AGE staff and those who lease space within the facility. AGE will provide a copy area full equipped with a copier, printer, and basic office supplies. You will provide all nonprofits serving the community out of this building, including AGE, with the basics needed to successfully provide professional care.

**\$5,000  
Unlimited**

**Kaleidoscope Project**

AGE invites you to honor and recognize an individual who has brought sunshine into your life with a butterfly to be displayed as a part of an outdoor art installation at the South Austin facility. The installation will feature a kaleidoscope, or group of butterflies on the outer fence of the property. Each butterfly will be an everlasting symbol of love, hope, and the impact YOUR loved one has left behind.

**\$4,000 5/5  
Available**

**Thrive Center Activity Tables**

Thrive Social & Wellness Center licensed staff provide daily agendas of joy filled activities designed to keep older adults with memory loss physically and cognitively engaged. Each table will be used by some of the up to 75 older adults to be served each day where they will engage with friends, find love, and have FUN!

**\$3,000 3/3  
Available**

**Thrive Center Garden Flower Beds**

The Thrive Social & Wellness Center will include flowerbeds where older adults served by the Thrive Center will plant and harvest vegetables, flowers, and more. These garden beds are a great way to honor or memorialize a loved one.

**\$2,500 2/3  
Available**

**Thrive Center Garden Picnic Tables**

Picnic tables will be located on the outdoor porch and under the outdoor pergola located in the Thrive Center garden. Older adults and family caregivers will use these tables to socialize with peers and each other while enjoying the outdoors surrounding by sunshine, flowers, and beautiful trees.

**\$2,500 11/11  
Available**

**AGE Co-Working Offices**

The second floor of the new facility will include 11 leasable office spaces for local nonprofits to utilize. These offices will honor the vision of AGE's founders who wanted to create spaces for the nonprofit community to come together to collectively address the challenges our aging community faces.

**Outdoor Benches**

**\$1,500 15/15  
Available**

Benches will be located throughout the outdoor spaces surrounding the new facility. Each bench will provide a comfortable resting space for older adults and family caregivers to utilize. Your name, or the name of a loved one, will be listed on the back of the bench to be seen by all who find rest by sitting on it.

**Trees**

**\$1,000 34/36  
Available**

There will be 36 trees surrounding the facility that will offer beauty and shade to all who visit. Your name, or the name of a loved one, will be listed on a plaque installed in front of the tree for all who visit to see.
